### **-Guided Tour of The Stutthof Former Nazi Concentration Camp.**

Stutthof Concentration Camp was the first and the longest established Nazi extermination camp on the Polish territory. It was found in 2nd September 1939 and liquidated in 9th May 1945. During whole World War II it was a place of slave labor and extermination of about 65 thousand of people, especially Jews, Poles and Gypsies, but also other POW's, catholic priests and Jehovah Witnesses.

**It's really worth to see the monument commemorating victims of Stutthof.**

**The touching sign on it says: "Our fate should be a warning not a legend for You! If people will become silent, stones will scream!"**
